REV. J. W. VESEY RESIGNS.

Pastorate of the First Baptist Church, Having Accepted a Call to the Pastorate of the "Wood Lawn" Baptist Church of Jacksonville,

The members of the First Baptist church were greatly surprised yesterday morning after the preaching service to hear Pastor J. W. Vesey offer his resignation, saying that he had accepted a call from the "Wood-Lawn" Baptist church of Jackson-

Mr. Vesey has been pastor of the Arcadia Baptist church just two years and three months. Under his ministrations the church has had one of its most successful periods, there having been added to the church during this period of time 160 new members, 46 of them by baptism. The church now has a memoership of 460, and is one of the nost active and liberal among the churches of the state. Last year it contributed \$6.837.44 for all purposes.

Rev. Vescy is regarded by all who know him as being one of the most consecrated Christian workers to be found anywhere. Personally, we re gard him as ne of the most faithful workers we ever saw. Both he and his splendid wife have greatly endeared themselves to the people of every enomination and of no denomination in this city. It is a rare thing to sec minister and his wife both so happy in each other's work. Notwithstanding the fact that few indeed, if any, could cover more ground in look ing after his tlock than Pastor Vesey yet there are many who regard Mrs. Vesey as the better pastor of the two. These two good people will be greatly missed by Arcadians, Their places will be nard to fill. Brother Vesey's resignation as read before the congregation by the church clerk is as follows:

May 27th, 1916. To the Arcadia Baptist Church of Arcadia.

Dear Brethren: For two years and three months we have labored as co-workers in the Master's vineyard, years of pleasure and disappointments, leasure in seeing souls saved and added to the church, pleasure in the fact that we have made progress. Disappointment in that we have not accomplished more for our Lord.

As I look back through the present pastorate, how cordially e were received, the many acts of kindness shown the pastor and family throughout the years of our association together, my heart goes out in gratitude, and we thank you heartily.

The co-operation and loyal support of so many of the members and the numerous deeds of kindness have made the rough places smoother and life a joy and com-

We have prayed and worked together for Him who gave His life for us; we have received blessings at His hands too numerous to mention, and now we come to the parting of the ways, our paths diverge. And now I hereby tender my resignation as paster of this church to take offect the last of June, 1916.

That God may duect you in the selection of another leader, bless and prosper you is the prayer of Your Pastor.

NED PETERY

KILLED YESTERDAY.

(From Wednesday's Daily.) The sad news of the death of Ned Petery, which occurred in Mulberry reached this city yesterday afternoon Petery, who was a flagman for the C. H. & N. Railway, left here yesterday morning on the local freight train going north. At Cottman, a little place between Arcadia and Mulberry at 9 o'clock, some box cars had to be coupled to the train, Young Petery as he ran between the moving engine and a box car to open the coupler fell and the tender of the engine passed over him, cutting off both legs and one arm. The engine was stopped, but before any one could reach him Petery had crawled out from between the rails unaided and looked up at the train crew and told them not to get excited. He was immediately taken to Mulberry, where everything in the power of human agency was done to save his life, but all to no avail, for at 4 o'clock yesterday afternoon he was called to meet his Maker.

The deceased, who was only 25 years old, was well known in this city. as he had made this his home for the past several years. His father, who now lives at Pine Level, where he operates a saw mill, at one time owned and operated the Farmers' Union Store in Arcadia, and he was ably assisted in this business by his unfortunate son. Young Petery, who had only been connected with the railroad company for the past ten months. leaves a father and mother and sever al brothers and sisters to mourn his death, Nothing could be learned concerning the functal arrangements, but it is thought that it will be held in this city.

The Leagues of Southern Methodism have as their task the raising of funds to carry on this work in Africa, it be ing divided into shares of ten dollars each. Some of the Florida chapter take five or 'en shares each.

The work of the League conference is growing to such proportions that probably at this session the treasurtr will be required to give bond in the sum of at least \$500.

President Evans remarked that ter years ago \$300 was the outside figure for the conference to raise for all purposes, and this year they have raised over \$1,000.

To articipate in the Primary Election to Be Held June 6th.

Several days ago we published 6 complete list of the qualified voters of the county as shown by the tax collector's office.
